Terms and Conditions:

- 1) **Full Name, address, and phone# required to process your order.**
- 2) Plans, frame details, and instructions are provided with QuickCabin building kits.
- 3) Separate orders for plans are non-refundable, but the cost may be applied to the purchase of any QuickCabin building kit within one year.
- 4) Plan sets include all four elevation views, floorplan with sample interior layout, section views, two foundation plans (6" monolithic slab, and post & deck), porch detail, roof plan, and necessary detail views. Plans are architectural in nature, and do not include sufficient detail to fabricate the insulated panel building components.
- 5) Plans may not comply with all local building code requirements. Check with local building officials before beginning your project. Any modifications to standard plans may involve additional cost.
